

# RECOMMENDED WASHING INSTRUCTIONS

## *“Super Insulated Hot Bag”*

---

### **MACHINE WASH**

- Turn bag inside out and fold over along its length prior to placing in the washer
- Maximum load capacity of 2 bags per wash
- Use either a traditional or laundromat version washing machine, top or front load
- Set the machine on “Large Load”, wash on “Gentle Cycle” with warm water
- Rinse in either cold or warm water
- Keeping the bags inside out, tumble dry them at low temperature on delicate cycle, or allow to air dry

### **PLEASE NOTE**

The New Super Insulated Hot Bag has a Silk-screened, full color logo on the front of the bag. It is not a patch and can not be removed.
